Washington Fire Commissioners Association

Fire Commissioner Service Awards

The Washington Fire Commissioners Association is honoring fire commissioners with 10 or more years of service (as a commissioner) to their fire districts and membership in the WFCA. During this year's conference in October, eligible commissioners will be recognized during the Friday evening banquet and receive a special commemorative lapel pin honoring their years of service (awards will be mailed to those not in attendance at conference).

Please check the box that corresponds to the number of years served.
